

Athletes, Coaches, Parents, and Judges.....

Your participation in the 2019 National Judges Cup is what made it special. Kansas was another great place to meet.

We are so happy to have taken our event to Overland Park to experience Kansas hospitality...as well as its Bar-B-Que!

Special congratulations to all of the states who competed in the Level 7 State Team Challenge. Each of the athletes and coaches represented themselves and their states well. We look forward to having many more state participation next year in Santa Clara, California.
